Seth is ruthless, cold blooded, emotionally manipulative like all sociopaths, and he is premediated and he lies continually. Seth has at least one dead former girlfriend and that should be looked into. Seth Seth Rozman is murderous envy in the flesh and he spreads psychotic envy like a plague. Narcissism, egomania, stupidity, and envy sum up Seth perfectly. His envious spirit is a weapon and propped up by the Black Nobility and House of Savoy. Seth Rozman is an extremely high level gang stalking commander and a cannibalistic serial killer and pedophile who specializes in turning women into sexual cannibals. Seth loves to pretend he is righteous anger and anytime I get angry he blasphemes me because he is jealous. Seth often works with his uncle a former

dirty cop named Earl Rozman who now works at a funeral home trafficking blood and flesh to witches for sexual favors. Earl Rozman is absurdly blasphemous like his nephew and insanely selfish and destructive. Earl Rozman is the type to destroy his own son's physical health for a bribe. Earl truly believes money defines a person's worth. He appears to have private bank accounts in Switzerland and he works for the Hohenzollerns. He works with numerous criminal cops. Seth Rozman is also spying on me 24/7 through the Savoy family. Seth gang stalks women and men to death and cannibalizes their private parts. That is his motivation. Seth wants to be the serial killer from the show Dexter and he may travel to Florida where he has targeted people this way. The show Dexter was about teaching people how to be serial killers and to throw bodies into the ocean. Seth Rozman has been arrested numerous times for selling cocaine and shrooms which grow on cow dung. Shrooms cause psychosis and delusions like Seth's delusions such as him claiming authorship of my articles. Seth Rozman is psychotic, sociopathic, narcissistic, murderous, and ruthlessly evil. He probably uses steroids too which also causes psychosis and mania. He appears to also have a connection with the Irish Mafia which are major cocaine traffickers. Seth sold cocaine for years and was a coke addict. Seth Rozman was also imprisoned for selling shrooms. While in prison he was further initiated into faggotry and made close connections to the black supremacist prison gangs. Seth got bent over like a little girl, did bukkake parties, and got gang banged by black thugs. This is not trash talk. That is reality and he is being exposed for that for his constant lying and his constant blasphemies. Seth has been warned many times to stop and back off but he won't because he is one hundred percent evil. While this faggot was in prison I was exposing the NWO. This needs to be said because he tries to steal credit for all of my articles. That should be enough to shut him up yet he doesn't care how false he is and still continues his blasphemous lies and childish slander with the rest of these serial killers, fiends, pedophiles, named here. Seth Rozman was already a faggot or a male bisexual rapist through athletics and his best friend has always been a black supremacist named Rasheed. Seth Rozman is a cannibal and he gang stalks men to death so he can cannibalize their genitals. He is a sick freak who eats genitals. Seth Rozman is a pedophile who targets both little boys and girls and he is obsessed with specifically cannibalizing Asian women. Seth clearly sexually molested his niece too which is why he falsely accuses random people for molesting his niece. Seth is an extremely violent rapist who is filled with lust to rape men and little boys, strangle them to death, and cannibalize their private parts. Seth is really depraved. Seth's friend Harvey frequently purchases prostitutes on the internet. Seth works with New Age cults and Nazis as well as black supremacist groups mostly connected with street gangs. He plotted to murder me by

shooting me and placing a gun on me and claiming self defense. In another incident he pointed a loaded shotgun in my face. He is a dangerous lunatic.

Seth often works as a salesman and is a conniving liar and manipulator who sexually assaults women. Seth once bragged about sticking his finger up a random woman's vagina while walking through a crowd at a club and he said "I cant help myself" when I said to him "what is wrong with you" Seth brags about manipulating women by telling them he loves them in order to have sex with them. Seth is a perfect example of a sociopath. Seth is overly outgoing as a means to meet people he can manipulate. Sociopaths are extremely social, manipulative, and they have zero empathy for others and use emotions to get people to feel bad for them especially when they are the victimizers. Being overly social is a common trait among sociopaths. Seth is extremely blasphemous and attempts to accuse others for his depravity and crimes and attempts to take credit for positive things that others do. Seth is psychotic envy and if attention is not on him he is claiming credit for all things he is envious of. It is the most insane blasphemy and so many people are aware of this and mock him for it. Seth Rozman is a major source of envy and egomania and he spreads these behaviors into society. Seth is a perfect example of a malignant narcissist. He uses people while pretending to help them. He degrades people. He sexually violates people. He plays the victim when he is the victimizer. He also becomes extremely aggressive and violent towards other men when he cannot dominate them. Seth Rozman's primary defense is calling someone a false accuser for exposing him and then attacking the person in the exact way he was exposed for which he calls the person a false accuser for. That is how stupid he is. He commands false accusing defilers like

Tyler Mullen and Andrew Bonneau who he has authority over through faggotry. Seth is a faggot that will have sex with anything including nasty old women, men, and children. His other defense is attacking people while hiding behind others or running away the moment he gets named or exposed and then calling the person a false accuser. Seth learned how to be a psychotic liar from Steven James Dishon. Again these gang stalkers are all serial killers. Seth has gang stalked numerous people to death. Seth also has a Puerto Rican mobster and another serial killer and faggot named Jose Francisco Ruiz who operates as his defender. Seth has the Twin Towers and New York Yankees tattooed on him yet he claims credit for my articles exposing how 9/11 was false. It does not get any more ridiculous than that. The Steinbrenners often manage him. Seth Rozman literally worked for the Valenti family selling Maseratis which use the Trident for their logo a symbol for Poseidon because Seth Rozman is a envious poser and that is all he will ever be. The Valentis are relatives of the Arrivabene-Valenti-Gonzaga noble family of Venice and Italy which are married with the House of Savoy-Aosta. Seth Rozman specializes in corrupting women with sexual sadism and spreading envy like a disease

SERIAL KILLER & CHILD KIDNAPPER

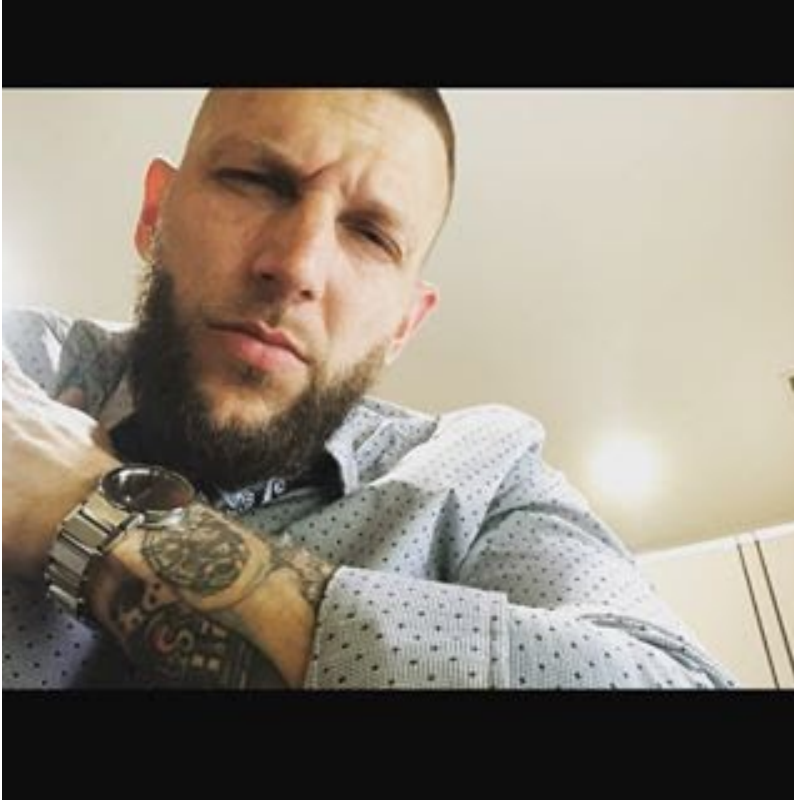

Erik Alexander Hofemeister - He works for the Massimo-Brancaccio, Borghese, Torlonia, Bourbon, Windsor, Solomon, Waldburg-Zeil, and Orange-Nassau families. Erik is referred to by his bosses as their abomination program and Erik is an abomination. Erik

Hofemeister is a satanic zealot with violent and psychotic tendencies and he is extreme narcissism, vanity, egomania, insolence, and delusions. Erik constantly works with Jimmy Laccavole and he is a childish and demented slanderer. Erik is murderously vain and jealous towards white men and specifically has stated that he hates natural white men because of their facial structures and this is because of his envy. Erik is a demented and raging fiend of envy who hates white men and he literally rapes and murders white women and children which are kidnapped and trafficked by MS13. If a white man has sex with a white woman that Erik lusts after then he viciously attacks that man and then seeks to rape and beat that woman until she submits to him. Erik Hofemeister and his black supremacist associates are also now threatening to genocide white people. Erik's favorite spell is yelling "enough is enough" at people as he pretends to be god and as he condemns and criminally attacks innocent people for the criminal things he does. This little punk needs a good beat down and execution just for doing that. He often gets intoxicated off human blood and then violently terrorizes people with lying accusations based on obvious ignorance and false pretenses. Erik has absolutely no concern for how demented his slander and false accusations are. Erik also makes strange arrogant hissing sounds while pretending to be a gangster when he is attacking people. Erik is plain stupid and he is also violent, depraved, and psychotic. Erik calls himself Christ and claims he is god. He gang stalks people and calls them sinners. Erik is a hard core Christian and a hard core sadist. Erik practices Solomonic witchcraft and Beezelbubry as well as Hermeticism and Crowley's Magick. Erik Alexander Hofemeister claims that all white women worship him and viciously attacks white men he is envious of. Erik is extremely idiotic and makes up insane lying and hypocritical false accusations that apply to him against other people. Erik says that "if a person is intelligent then they are evil" because the Bible associates intelligence with evil. That is an example of his demented false pretenses. Erik Hofemeister is one of the most envious fiends on the planet and he specifically envies white men. He is highly premeditated and has been gang stalking me for 5-6 years straight the moment I named the Massimo family which he continually works for. He works with an army of cyber trolls, hackers, and MS13 child kidnappers. Erik Hofemeister's full time job is gang stalking. He often works back to back with Seth Rozman so if Erik gets exposed Seth increases his attacks and if Seth gets exposed Erik increases his attacks. That is their program managed by the Borgheses and Torlonias and how they defend each other. Erik is an insecure little punk and a coward filled with the most insane and incomprehensible envy and spite. He is a depraved little freak involved in cannibalism, pedophilia, transvestitism, dung worship, and faggotry. Erik Hofemeister is the leader of a cult of Beelzebubs which are cannibals who specifically get

off to turning people they rape and murder into excrement. That is what sodomy really is. He gang stalks men to death and traffics their genitals to satanic witches. Erik Hofemeister is also former non combat military and appears to have been knighted by Prince Harry during the war in Afghanistan. He also works with Five Percenters, Nazis, Hermetic cults, Satanists, Witches, Black Hebrew Israelites, and the street gang MS13. Erik Hofemeister frequently works under the authority of LeBron James, Barack Obama, and Alicia Jay who is a very tall witch who is mixed race like Erik. LeBron James is close friends with Jay Z who is a Five Percenter and LeBron James covertly manages the Black Hebrew Israelites which is a black supremacist organization with similar beliefs as the Five Percenters. Erik Hofemeister has lived in the Virginia Beach area and there is a higher rate of missing children in Virginia than most other states. Erik with MS13 have been kidnapping children and selling or sacrificing them. Erik also drinks human blood. Erik Alexander Hofemeister is a top commander of a national group of gang stalkers who are involved with murder, torture, faggotry, relentless harassment, slander, lying, blasphemies, and terrorism and the reason they do this is for money and really because their foreign bosses pay them with trafficked children. Erik often works with Jimmy Laccavole a small little lying punk zealot who likes getting gang banged by faggots while dressing up as a woman. Erik is also involved with gay gang bangs. It appears that Erik Hofemeister was involved in gang stalking Zakaos Lovebreed Ewing to death along with a large group of gang stalkers. Erik Hofemeister can often be found stalking people on YouTube who make videos about being gang stalked. Erik often targets black women but mostly targets white women and children. Erik Hofemeister is extremely racist and is mixed race with a German last name. He works with MS13 and they are involved with kidnapping children which are either sold to other Satanists or murdered. Prince Giacomo Massimo-Brancaccio is a top owner of MS13 and Erik Hofemeisters primary boss. The Massimos are married with the Spanish Osorios which ruled El Salvador where MS13 really originated from. MS13 is one of the most violent street gangs. Erik Hofemeister has literally dedicated the majority of his life with obsessing over, stalking, and harassing me for more than 5 years straight. This psychotic fiend targets me for 10-15 hours a day on most days and has been doing this for more than 5 years straight. The primary reason Erik is doing this is because he craves like a maniac after attractive white women. Erik Alexander Hofemeister hates white men and wants to enslave all white women out of lust. He violently attacks white men for having sex with white women which he lusts after. This kind of evil should not be tolerated. Evil like that needs to be shot dead. Erik Alexander Hofemeister is a little punk who likes getting bent over by big women or more often by male transvestites

pretending to be women. Erik Alexander Hofemeister and the criminals he works with also use sexual cannibalistic programming on white women to corrupt them. Erik Hofemeister wants to own or corrupt all white women

SERIAL KILLER & CANNIBALISTIC PEDOPHILE

Paul John Lallier – Is a manic bipolar heroin addict who huffs gasoline and he works for the Aldobrandini, Medici, Orsini, Orleans, and McMahon families and he is a serial killer who murdered his own mother. The Greek word Lalos and German word Lallen means babbling. Lier refers to Liar. Paul falsely accuses many people for his crimes and it makes absolutely no sense. Paul John Lallier smothered his mother to death with a pillow. Again Paul Lallier murdered his mother. He murdered his mother. Paul Lallier is the greatest example of a sociopath. Paul murdered his mother and blames other people for his actions and on top of that he plays the victim. Paul John Lallier murdered his mother and the police instead attacked me for exposing it and never investigated him. Paul may have been involved in 3 other deaths of family members including his brother, cousin, and uncle whose wife Paul Lallier was apparently having an affair with. Paul Lallier was likely having an affair with his aunt who was involved in murdering her husband possibly with poison and she slandered her husband relentlessly prior to his death. They had two contradicting stories over his death. One where he fell and hit his head and died while in a coma and the other where he was throwing up blood and then died. Liars can never keep their stories straight. Paul Lallier is a convicted criminal who did about a year in prison for theft and there he was initiated into a Hispanic prison gang. Paul Lallier is a career criminal who specializes in burglaries, car theft, and stealing, using, and selling opiates. He is also a pedophile who is obsessed with raping, murdering, and cannibalizing children as well as women. Paul Lallier often works under Prince Lelio Orsini and Paul is part of a pedophile-sadist cult headed up by Johnny Depp who runs a national cult of serial killers and pedophiles. Johnny Depp is a Satanist who promotes child murder and the West Memphis Three who are three convicted child murderers. Paul Lallier also worships the pedophile Michael Jackson. Paul Lallier is a crypto-transvestite like many gang stalkers. These gang stalkers are obsessed with women cannibalizing male children and depraved male gang stalkers like Paul Lallier often pretend to be women when sexually molesting male children. Paul is disgusting and he stinks like must and excrement. Paul is also an insane liar. Lallier for Lal-lier.

His father Armand Lallier is also a career criminal, crack head, and woman beater who has been arrested between 100-200 times. Paul has been groomed into becoming a serial killer for years. Paul broke into numerous pharmacies about 15 years ago and stole hundreds of thousands of dollars in pain killer medications. He bragged about it and said he cut the power to the pharmacies, pried open the drive thru window, and stole hundreds of thousands of pills. He works with criminals associated with the Puerto Rican Mafia including a criminal named Jose Francisco Ruiz and his relative Hector whose street name is Chiefy. Paul also works closely with the gang stalkers Rachel Buyak, Tom Rubendall, and Derek Warriner. They orchestrate attacks on people together all the time. Paul Lallier and Chiefy stole several cars together and Chiefy was arrested for his involvement in the car thefts. Vincent Martello's mother Elizabeth Martello pays Paul Lallier and Jose Ruiz cash to gang stalk and murderously terrorize people. Paul Lallier and Elizabeth Martello work together all the time. Elizabeth protects him for murdering his mother. Paul also works closely with an Albanian mobster named Ergest Mati and his female associate Erica Lombardi who defends criminals relentlessly. Paul Lallier has been diagnosed as manic and bipolar and he is a severe drug addict. He intentionally got hit by a car to get a prescription for pain medication after he murdered his mother who apparently caught him

stealing her prescribed pain medication before he murdered her. Paul Lallier has also been seen several times creeping around small children that live near him because he is a pedophile and much worse. Paul Lallier also has compassion spells defending him which is absurd. Paul Lallier needs to be killed immediately

He is such a coward that he feels the need to put up a post titled "have no fear" on his Facebook page. Robert Nadeau is filled with fear and that makes him dangerous and more evil. Robert Nadeau continually blames others for his criminal actions because he is a lying accuser and coward who is scared of being exposed for his crimes. Nadeau is also a faggot which is a crypto bisexual rapist and he was initiated into faggotry through the military. Oedipus was a person from Greek Mythology who had sex with his mother. In the story of Oedipus he goes to the town of Colonus. Colonus like Colonna and a high level member of the Colonna family is Prince Oddone Colonna and he manages this disgusting freak named Robert Nadeau. The word faggot derives from the word fasces and both faggot and fasces mean a bundle. The Knights of Columbus use a fasces symbol for its logo. Robert told people he was paralyzed however today he walks around fine. Robert fell off a Humvee and then pretended he couldn't walk to get out of the war he chose to fight in because he is a coward. Robert was not in any combat situation when he fell off the truck. Robert Nadeau also bragged about flying into Iraq on a helicopter and shooting civilians with a 50 cal. machine gun and said all he saw was "red mist" from their blood. Robert Nadeau works with a group of paramilitary contract killers operating in the United States under the Skull and Bones. Both the Knights of Columbus and Skull and Bones are headquartered in New Haven, Connecticut. I taught him what the NWO is and started listing off secret societies involved and said the Knights of Columbus and Robert said "I am a Knight of Columbus" Nadeau works with a contract killer named Alex Alvarez who is a US Marine and Muslim who specializes in explosives and IEDs. Nadeau attempted to poison me to death for speaking out against the Vatican, Black Nobility, Knights of Malta, Knights of Columbus, Jesuits, and Cosa Nostra. Steven Dishon is a serial killer that preys on homeless people. The Bush family and their Points of Light charity racket finance Steven Dishon. Steven James Dishon is an architect of gang stalking and insane lying and him and all of gang stalkers violently attack people and base their reasons for attacking people entirely on numerology and connecting people with numbers through gematria and fraudulent ways. His lies are entirely supported by arrogance and ganging up on people with organized liars. The easiest way to tell that he is lying is for what purpose or motive is he saying whatever he is saying. Steven Dishon's lies consist of him calling people who expose evil brainwashed and deceived. Steven Dishon calls himself and his criminal associates victims, prisoners, mind controlled, possessed, and whatever other excuse he can think of to get people to not focus on him and others like him when they are scared. They constantly admit to their crimes by claiming to be victims, prisoners, or possessed when they get caught. Steven Dishon pretends to be the authority over all truth because he is a blasphemous sub human who has similarities to a gorilla. Steven Dishon literally claims to be Jesus Christ, the Lion of Judah, and the Root of David on his Facebook page and he is best friends with the Satanist and hacker Zachary James Carr. They are friends on Facebook and openly harass, stalk, and hack people together on the internet. Zachary Carr is an admitted Satanist

and Steven Dishon is a hard core Christian who claims to be Jesus Christ. It does not get more absurd than him. His lies are completely insane and stupid and he uses arrogance and violence to support his lies. Most of his lies are all about attacking people who expose gang stalking, organized crime, and most of all his lies are about denying that evil people are cannibals and denying that gang stalkers are gang stalkers. The reason he lies continually is because he is a serial killer who murders and cannibalizes homeless people he lures in with his "Christian charity" front. Steven Dishon like all members of secret societies has murdered children for human sacrifices. They do this in deep forests, underground bunkers, mafia resorts, and other isolated locations. He attacks people who expose criminals. He defends criminals. It is blatant. He goes on murderous attacks and gets triggered by letters, numbers, words, and the dumbest things imaginable. He thinks this demented behavior is brilliance. Dishon for dishonest and dishonorable and he specializes in demented blasphemies and fascist lying. He is propped up as a top gang stalking leader and he is initiated into the Society of Jesus, Kabbalah Society, Scottish Rite Freemasonry, and the Order of Saint James. All gang stalkers gang stalk people to death for cannibalism and blood drinking. The occult have infiltrated funeral homes, hospitals, and morgues and they traffic the blood and flesh of the dead gang stalked victim to the gang stalkers. All gang stalkers are cannibals. Gang stalking is all about cannibalism and drinking human blood. Gang stalkers also work for money but that is not their primary motive. Their primary defense is claiming to be demonically possessed when they get caught. They are not. All gang stalkers are willingly evil and profit from their evils. Steven Dishon constantly flaunts the things he buys from his gang stalking online. Steven Dishon gets paid through fixed wins at casinos run by the mafia. The Jewish billionaire Daniel Gilbert of Detroit is a major financier of

Steven Dishon. Some high level gang stalkers and especially female gang stalkers have offshore accounts with aliases and these private bank accounts are managed by their foreign bosses. The money in their offshore accounts is used for child sacrifices. Steven James Dishon claims he is Jesus Christ, the Lion of Judah, and the Root of David. Steven James Dishon violently pushes Christianity onto others. Evil hiding behind religion is what Luciferianism is. Steven James Dishon uses words, letters, and numbers to make psychotic connections to things that are not connected as his basis for slander and violence. He may be living in Michigan. Steven James Dishon is an architect of Luciferianism and gang stalking terrorist.
